Education

Undergraduate Degree – University of Northwestern – St. Paul (May 2020)

- B.A.s in Linguistics, Biblical Studies, and Intercultural Studies
- Minors in Science & Theology and Chinese Studies

Professional Certificate – EdX

- Python Data Science

Certificate of Completion – Udemy

- The Complete Web Development Bootcamp

Projects

- <https://nkrbrock.github.io/cv/> my personal portfolio site
- https://github.com/nkrbrock/ojibwe_site my very first website that is an introduction to the Ojibwe language built with HTML, CSS, JS, and Bootstrap
- <https://blooming-badlands-70269.herokuapp.com/> a todo list styled app that I made to keep track of books I want to read
- <https://nkrbrock.github.io/nordic-countries/> a simple website meant to show my design skills more than programming

Experience

Teacher's Assistant (August 2019 – May 2020)

University of Northwestern – St. Paul

I perform many roles including grading, writing newsletters, and making promotional material for the Department of World Languages

Cashier (December 2018-January 2020)

University of Northwestern – St. Paul

I kept the store clean and organized in addition to working the register and interacting with customers

Teacher (October 2018 -December 2018)

University of Northwestern – St. Paul

I taught two beginner level ESL classes at Santisuk English School in Bangkok, Thailand and worked with several churches in France, Kazakhstan, and Japan in a teaching capacity

Server (August 2016 –October 2018)

Bon Appetite

I served food, interacted with a variety customers, and occasionally worked as the cashier
